1) A minimum daily rate is any part of an 8 hour day and overtime will be charged for work done other than a regular weekday shift.

2) Modification to the work may require a change in the quote.

3) Unless otherwise indicated the unit prices are based on ABSL performing all the work included on the proposal. If ABSL does not receive a contract for all the work, the unit prices are subject to adjustment.

4) The unit prices are based on the estimated quantities in the bid proposal. If the quantity of the item changes by 25% or more the unit price is subject to equitable adjustment.

5) All teeth over one complete set will be charge to the contractor.

6) Prices are good for 30 days from the date of this proposal, after that date the prices are subject to

adjustment.

7) In the event there is an increase in the cost of fuel of more than \$0.50 per gallon during the performance of this contract, ABSL will be entitled to a \$75.00 per day fuel surcharge. The base cost of fuel shall be established on the bid date of the contract by reference to the Weekly Retail On-Highway Diesel Prices for California, as published by the U.S. Department of Energy on its web site at www.tonto.eia.doe.gov/oog/info/wohdp/diesel.asp.

10) This proposal to be attached and made part of any and all resulting contracts.

11) The above price does not include permits, fees, bonding, state or local taxes.

- 12) This is a proposal only for the purpose of establishing a price for work as outlined. In the event ABSL is the low bidder a formal contract or PO suitable to both parties shall be prepared and fully executed.
- 13) Repairs of damage to ABSL equipment due to unmarked or buried obstructions; i.e. valve boxes, manholes covers, concrete, steel fence-posts, steel pipe or excessive depth asphalt will be billed at time and material for repairs.

14) Backcharges to ABSL must be communicated by contractor in a written notice within 72 hours from the

of billing, and no retention to be withheld on payments.

- 16) All utilities within mill grade are to be located and marked by customer. It is the sole responsibility of the lessee or renter (customer) to follow the requirements of the regional notification center law pursuant to Article 2 (Commencing with Section 4216) of Chapter 3.1 of Division 5 of Title 1 of the California Government Code. Customer assumes sole responsibility for, and all subsequent liabilities coincident with following the requirements of the regional notification center law.  Lessee will provide: water and fill grinder, traffic control, sweeping, clean up, hauling & disposal of grindings, pavement delineation, temporary ramps and any other work required to facilitate the grinding operations.

General Conditions

- 1. The rental rate for Equipment covers normal use only not to exceed 8-hours/1day, 40 hour/week (Mon-Fri), or 160 hours/month, based on 20 working days. Any excess use will be prorated against the appropriate rate and charged to the Lessee. If Equipment is operated on a job site deemed to be severe conditions, including but not limited to sites containing rock, which causes excessive wear and tear a surcharge of 25% of the normal rental rate will be added to said normal rate, and be the responsibility of Lessee. Lessee shall still be responsible for any damages to rental Equipment used on a site containing rock, in addition to the rock surcharge. The Equipment will be transported to and from SPM's place of business at Lessee's expense. Rental begins when items are delivered to Lessee and continues until items are picked up by or returned to a SPM location of SPM's choice. Equipment must be checked in at the office during normal business hours. No allowance will be made for holidays, time in transit or any prior time the Equipment may not be in actual use while in Lessee's possession.
- 2. INSURANCE REQUIREMENTS (Notice about your financial responsibility) Prior to the rental, the following minimum insurance requirements must be met. SPM must receive a current "Certificate of Insurance" naming SPM as "Additional Insured" for general liability (Mandatory) with limits of liability not less than \$1,000,000 combined single limit per occurrence (bodily injury including death and property damage) unless greater liability limits are specified, and as "Loss Payee" for physical damage for the full value of the Equipment. Most customers, for convenience, issue one certificate covering their policy period stating "all sites and operations" instead of obtaining a new certificate for each individual rental.
- 3. Unless otherwise required by SPM, Lessee shall pay the rental sums due as follows: net payment to be received by SPM within thirty (30) days from date of SPM invoice. Should Lessee fail to pay any part of the sum or any other sum required by Lessee to be paid to SPM within thirty (30) days from date of invoice, all past due amounts shall bear a finance charge at the rate of one and one half percent (1.5%) per month. State Laws, including the laws governing interest and usury, shall be applicable to this Rental Agreement and shall govern the monthly periodic rate and corresponding annual percentage rate. If for any reason it is determined by a court of competent jurisdiction that a different usury or interest law is deemed applicable, the monthly periodic rate and corresponding annual percentage rate shall be the maximum non-usurious rate of interest applicable to any entity such as Lessee in the applicable jurisdiction. If for any reason amounts paid in connection with SPM's extension of credit to Lessee under this Rental Agreement are deemed interest that produces a rate in excess of the maximum non-usurious rate of interest under the law applicable to this Rental Agreement, SPM shall refund to Lessee such portion of said interest that is in excess of the maximum non-usury rate of interest for that particular jurisdiction. Lessee agrees to pay attorney's fees and related costs in the event that SPM shall incur either of the same in order to pursue collection of any sums due from Lessee to SPM or to interpret this Rental Agreement, to defend SPM in action or to enforce its rights against any third party. SPM, in its sole discretion, may venue the lawsuit in any county where SPM has a location or place of business and Lessee agrees to the same. In addition, Lessee shall be in default with the right of SPM to accelerate the all the obligations of Lessee if Lessee attempts to sell or encumber the Equipment, ceases operating, institutes or has instituted against it proceedings under any bankruptcy or insolvency law, makes an assignment for the benefit of creditors or fails to comply with any other provision of the Rental Agreement, or if any attachment, execution, writ of process is levied against the Equipment or any of Lessec's property, or if for any reason SPM deems itself insecure or the Equipment unsafe. Lessee agrees to deliver the Equipment to SPM on demand, and SPM may enter upon any job, building or place where the Equipment is located and take possession of it without notice to Lessee and this Rental Agreement shall thereupon terminate and be forfeited at the option of SPM. In the event of any such action, Lessee agrees to pay all guaranteed leases and all other leases due, damages or any injury to the Equipment, legal expenses, costs of removal of the Equipment from the possession of Lessee and all freight, storage, transportation and other charges incurred in such removal and return to SPM at its place of business.
- Lessee shall comply with all applicable environmental laws and regulations including those on fuel use and idling. Lessee is
 responsible for any and all fines incurred for violations or the laws or regulations resulting from the use of the Equipment.
- 5. SPM is not responsible for any charge that the Lessee may have because of mechanical malfunction of the Equipment, and it shall not in any manner be liable for any back charges or any direct, indirect, special or consequential damages. Lessee will be responsible for Equipment if stolen at any time during rental period. While Equipment is on rent, SPM assumes no responsibility for any damages to property or persons. Any damage at all will be the complete responsibility of Lessee.
- 6. Lessee shall defend, indemnify and hold SPM harmless from any and all claims, actions, suits, proceedings, costs, expenses, damages, and liabilities, including attorney's fees which: (1) relate to injury, illness, sickness, disease or the death of any persons (including employees of Lessee), and (2) were caused, or claimed to be caused, in whole or in part by the Equipment leased herein or by the liability or conduct (including active, passive, primary or secondary), of SPM, its agents or employees, or any other person misconduct.

- 7. The Equipment rented pursuant to this Agreement are rented "as is" and without warranty whatsoever. SPM RENTS ALL EQUIPMENT AND SERVICES PURSUANT TO THIS AGREEMENT WITHOUT WARRANTY OF ANY NATURE WHATSOEVER, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MECHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE. Notwithstanding anything contained to the contrary, Lessee agrees that Lessee may not offset any payments under this Rental Agreement or the account because of any dispute concerning warranty issues and that the payment on the account is absolutely due and owing without any right of offset or recoupment of any nature.
- 8. SPM shall have the right at any time during business hours, without notice, to enter Lessee's premises or the site were SPM rental Equipment is located for the purpose of inspecting, repairing, adjusting or repossessing the Equipment.
- SPM will mail to Lessee at Lessee's address, invoice(s). Lessee agrees to notify SPM in writing of any error in the invoice(s) within 30 days after the date of that invoice(s). If not so noticed, the invoice shall be deemed to be correct and accepted as rendered, thus no credits will be issued after 30 days from invoice date. Time is of the essence of this Rental Agreement,
- 10. The Rental Agreement must be signed and shall be returned to SPM. SPM may allow it to be returned by facsimile transmission or email. Any such facsimile transmission or email bearing signatures of Lessee shall be considered as valid as if t were an original document. SPM and Lessee have each agreed to conduct their business by electronic means.
- 11. Lessee, by signing this form, warrants that all information provided is true, correct, accurate, and complete and acknowledges that he/she has read same, understands its contents and expressly agrees to the terms and conditions as stated hereon. A corporate officer, LLC member officer, each and every partner, or the owner(s) of the company must sign this Rental Agreement and agree to be fully bound by its terms.
- 12. This is the entire agreement between SPM and Lessee regarding the Rental Agreement and no oral changes can be made. No promises, representation or agreement purporting to modify this Rental Agreement and no revocation, partial or otherwise, or change, amendment, addition or alteration shall be valid unless the same be in writing, signed by all parties hereto or by their duly authorized agents. Waiver by SPM of any terms or conditions of this Rental Agreement or waiver of any breach thereof shall not affect the validity or enforceability of the remaining provisions of this Rental Agreement. A determination that any provisions of this Rental Agreement are illegal or invalid shall not affect the validity or enforceability of the remaining provision of this Rental Agreement.
- 13. This transaction is intended as a true lease and not a sale. SPM may file an initial financing statement listing the Equipment to protect its rights.

If Papich Construction dba Sierra Pacific Materials is required to commence any legal action to recover losses under this agreement or required to employ attorney for the enforcement of any of its rights herein, customer agrees to pay for responsible attorney fees and costs incurred thereby.
